

# STAYING UP TO DATE

## Clinicians everywhere trust UpToDate to treat their patients.

When it comes to evidence-based medical knowledge, the most trusted name in healthcare is UpToDate. With nearly **53 doctors** on staff and more than **470 journals** hand-searched and reviewed, there's no name in patient treatment expertise more recommended than UpToDate.

### Trusted Around the World

UpToDate is the most trusted source for evidence-based clinical information for more than **1 million clinicians** in **174 countries**. Around the globe, UpToDate has become an indispensable part of clinical workflows in over **30,000 institutions and practices**.

### Breadth and Depth

UpToDate features more than **9,600 evidenced-based, graded recommendations** that are reviewed, fact-checked, and graded by a team of more than **6,000 authors, editors, and peer reviewers** from around the world.

#### UpToDate subscribers get:

**10,500+**  
clinical topics across  
22 medical specialties

**More than 1,500**  
patient information  
topics

**28,000+**  
graphics

**160+**  
medical calculators

**5,400+**  
unique drug entries

### Clinicians' Choice

With more than **23 million** topic views per month, clinicians are nearly unanimous in their approval for UpToDate:

#### Always Publishing, Always UpToDate

With a firm belief in providing the most current clinical content available, UpToDate welcomes feedback from subscribers:

Reviewed  
**2,856**  
items submitted to editorial

Yielded  
**1,001**  
updates to UpToDate topics  
from subscribers' feedback

UpToDate offers thoroughly researched recommendations and updates that may change usual clinical practice through our **What's New** and **Practice Changing Updates** feature. These updates represent, in our editors' view, the most important new information added in recent weeks.

#### Accreditation with Commendation to Further Physician Learning and Change

Offering CME since 2000, UpToDate received the highest accreditation status by the Accreditation Council for Continuing Medical Education. The total number of individual and enterprise subscribers processing CME, CE, and CPD in the United States grows every year.

#### Saving Time and Lives

According to researchers at Harvard, hospital adoption of UpToDate is directly associated with saving:

**11,500 Lives**  
(over a three-year period)

**372,500**  
hospital days (per year)

When seeking out medical information to treat patients, go with the most trusted, the most recommended, the most valued. Go with UpToDate.
