

# Remote Primary Health Care Manuals

## Project Update

July 2021

*The Remote Primary Health Care Manuals are currently being reviewed and updated. Monthly updates provided to health services and other organisations will keep you up-to-date as we move through the review process.*

### What's New

Various procedures and protocols have recently been endorsed by the Editorial Committee.

Contact our project team if you would like to discuss the changes.

### Procedures and protocols endorsed

- *Dental protocols and procedures*
- *Cervical cancer prevention and screening protocols*
- *Remote context procedures*
- *Giving fluids procedures*
- *Infection control procedures*
- *Medicines procedures*

### Coming up next

A number of protocol groups are coming up for review. Contact our project team for more information or to provide input.

### Protocol groups coming up for review

- *Resuscitation and trauma*
- *Emergencies in pregnancy and birthing*
