

# Remote Primary Health Care Manuals

## Project Update

August 2021

*The Remote Primary Health Care Manuals are currently being reviewed and updated. Monthly updates provided to health services and other organisations will keep you up-to-date as we move through the review process.*

### What's New

The Primary Review process has been completed for 60% of our protocols.

We are on track to complete our Primary Reviews by December.

### Protocol groups endorsed

- *Resuscitation and trauma*
- *Emergencies in pregnancy and birthing*
- *Remote medicines*
- *Child respiratory*

### Coming up next

A number of protocol groups are coming up for endorsement.

Contact our project team for more information or to provide input.

### Protocol groups coming up for endorsement

- *Skin*
- *Infectious disease*
- *Injuries*
- *Disability and dementia*
