Website Launch

www.remotephcmmanuals.com.au

We've launched our new website! Check out all the great features including access to our manuals online, acknowledgement of our fantastic team of reviewers and other health professionals behind the scenes, and a host of Health Promotion and other resources.

Find a Resource

Health Promotion

Our Health Promotion resources help with client education in remote Aboriginal Health Services. There are a range of videos, flipcharts and other educational resources available through our partner organisations.
