

## Indigenous Health Incentive

The Practice Incentives Program (PIP) - Indigenous Health Incentive (IHI) supports general practices and Indigenous health practices to provide a range of health services to Aboriginal and Torres Strait Islander patients with chronic medical conditions.

You can apply for the IHI and register patients online using the PIP Online feature in Health Professional Online Services (HPOS). To assist you manage incentives easily online, we have a range of new educational resources that demonstrate step-by-step how to perform distinct functions through HPOS. To learn more about these tailored resources, refer to the following links.
