

Remote Primary Health Care Manuals

Project Update

October 2021

The Remote Primary Health Care Manuals are currently being reviewed and updated. Monthly updates provided to health services and other organisations will keep you up-to-date as we move through the review process.

What's New

Almost all (98%) of Primary Reviews have now been completed! Thanks to our reviewers for sharing their time and expertise. Protocols are now being updated to reflect endorsed changes. We will consult with clinicians about major content changes prior to Secondary Review. Contact us if there are topic areas you would like updates on.

Coming up next

Secondary reviews will start early in 2022. If you use the Manuals please contact us or visit the RPHCM website to see how you can become a Secondary Reviewer.
