

Remote Primary Health Care Manuals

Project Update

November 2021

The Remote Primary Health Care Manuals are currently being reviewed and updated.

Monthly updates provided to health services and other organisations will keep you up-to-date as we move through the review process.

LAST CHANCE

What's New

Sales of the current 2017 editions will cease in April 2022.

Please use the order form on our website www.remotephcmmanuals.com.au to purchase printed copies (purchase limits apply)

Protocols endorsed by Editorial Committee

- *Infant feeding guidelines*
- *Anaemia in pregnancy*
- *Ear examination*
- *Water-related skin infections*
- *Joint problems*

Coming up next

Secondary reviews will start early in 2022.

We are currently seeking secondary reviewers, especially Doctors and Aboriginal and Torres Strait Islander Health Practitioners who are users of the manuals to check protocols are easy to read and applicable to practice.
