

*The Remote Primary Health Care Manuals are currently being reviewed and updated.*

*Monthly updates provided to health services and other organisations will keep you up-to-date as we move through the review process.*

### Secondary reviews

The Standard Treatment Manual and Women's Business Manuals are in final preparations for secondary review which will start this month. If you would like to review some protocols as part of the secondary review process please email a completed expression of interest form from our website [www.remotephcmmanuals.com.au](http://www.remotephcmmanuals.com.au) to [remotephcmmanuals@flinders.edu.au](mailto:remotephcmmanuals@flinders.edu.au)

### Key stakeholder consultations

Consultations with key stakeholders will occur concurrently with the secondary reviews. Please contact the project team at [remotephcmmanuals@flinders.edu.au](mailto:remotephcmmanuals@flinders.edu.au) if you are in a senior or governance role and would like to provide feedback on updated protocols.

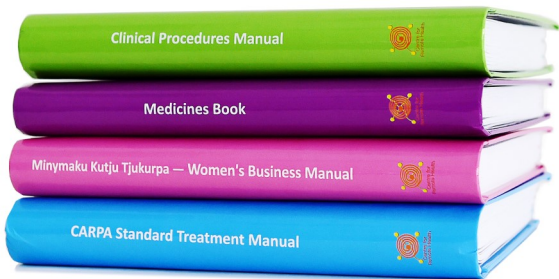

### Regular sales of the current manuals have ceased

In preparation for the new editions of the manuals we have ceased regular sales. We do have a small supply of some manuals for urgent orders with priority for remote purchases. If you need a manual please contact [crh.sales@flinders.edu.au](mailto:crh.sales@flinders.edu.au) to discuss your requirements.

**New editions are due for publication November/December 2022**
