

## PRACTICE BASED TEMPLATE

Submissions must not exceed 300 words (excluding title & authors). The document **must not** be password protected or saved as read only as this may result in your abstract failing to upload successfully. Use Arial 12 point type only. Please structure your submission using the subheadings below. If the abstract does not fit the headings, please put full abstract beneath introduction and we will remove the headings once submitted.

### **INSERT TITLE HERE**

#### **Authors:**

<Insert authors here>

- Principal author to appear first.
- Underline the name of the author who will be presenting the paper
- All authors must be listed with their first name, any initials and surname, with commas between each name
- Omit degrees and titles
- Include affiliations/organisation for each author (i.e. department, institution, city, country). Use superscript numbering *after* the author's name to indicate affiliations

#### **Disclosure of Interest Statement (example):**

The Australasian Society for HIV, Viral Hepatitis and Sexual Health Medicine recognises the considerable contribution that industry partners make to professional and research activities. We also recognise the need for transparency of disclosure of potential conflicts of interest by acknowledging these relationships in publications and presentations.

For an example of a disclosure of interest statement please see below

*The Melon Institute and Metabolism Corp are funded by the University of Oxbridge, UK. No pharmaceutical grants were received in the development of this study.*

Note: If accepted into the program you will be requested to include a disclosure of interest slide into your presentation or include such statements in your poster.
